Black StarCoat™ high tech protection

The Rapier StarLok™ makes landscaping projects with timber faster, easier and stronger.

- No pre-drilling, even with large pressure treated beams.
- Non slip, hex head countersinks itself during installation.
- High tech StarCoat™ protection extends corrosion resistance in the toughest environments, including ACQ treated timber.
- FREE hex driver bit in each box.

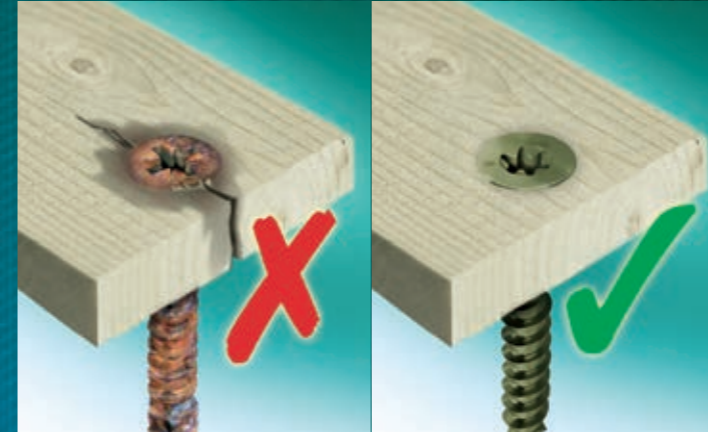

The **RapierStar®** brand stands for high quality, superior performance fixings.

The result of a decade of continual improvement, the patented **RapierStar®** product range ensures complete professional and consumer confidence.

Quick Start

Sharp point for a quick start, rapidly penetrating into all wood types, including hardwood, treated softwood or wood composites.

No Splitting & Low Torque

The patented StarForm™ thread lowers torque and reduces wood splitting.

Long Life Without Staining

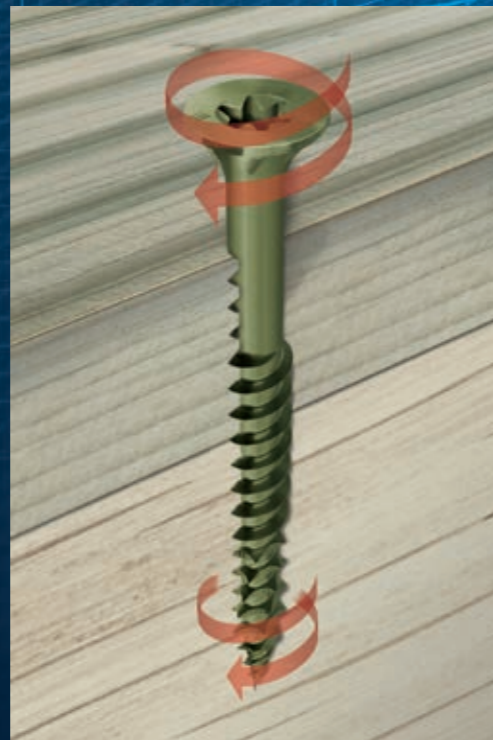

High tech StarCoat™ protection extends corrosion resistance in the toughest environments, including ACQ treated timber.

Rapier® StarDeck

The award winning Rapier StarDeck™ is probably the most efficient weather resistant, exterior screw available. The patented StarForm™ thread provides lower drive-in torque, quicker assembly times and exceptional holding power.

With a StarDrive™ recess, partial thread, StarCoat™ finish and sizes from 50mm to 100mm long, the Rapier StarDeck™ is the ultimate fixing for today's exterior timber.

Rapier StarDeck™ offers up to 50% quicker drive-in time, with up to 50% lower torque – without pre-drilling.

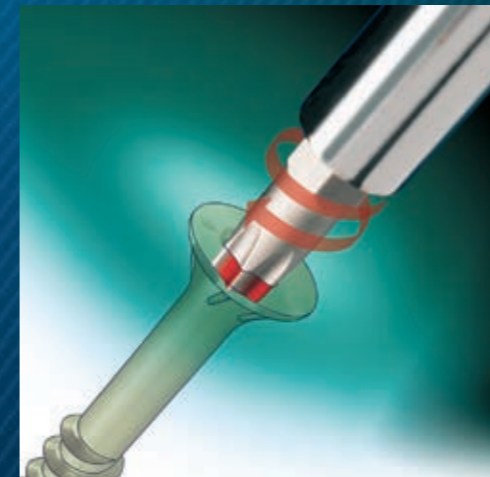

Flush Finish

The ribbed countersunk bugle head ensures a flush finish.

Safe

The precision StarDrive™ recess improves grip when using power tools and drives into even the hardest wood, without mechanical damage.
