**Rapier®  
StarTurn**

The **RapierStar®** brand stands for high quality, superior performance fixings.

The result of a decade of continual improvement, the patented **RapierStar®** product range ensures complete professional and consumer confidence.

### Safe

The precision Pozi or StarDrive™ recess within the double countersunk head improves grip and extends bit life.

*Rapier®*  
**StarTurn**

### No Splitting & Low Torque

The patented StarForm™ thread lowers torque and reduces wood splitting.

### Quick Start

Sharp point for a quick start, rapidly penetrating Softwood, Hardwood, Chipboard, MDF, Plastics and Thin Sheet Metal.

*Rapier®*  
**StarTurn**

The award winning Rapier StarTurn™ is probably the most efficient universal screw available. The patented StarForm™ thread provides lower drive-in torque, quicker assembly times and exceptional holding power.

With a choice of Pozi or StarDrive™ recess, Full or Partial thread, Zinc or Yellow finish and sizes from 12mm to 300mm long, the Rapier StarTurn™ provides a comprehensive and cost effective solution for every application.

Rapier StarTurn™ offers up to 50% quicker drive-in time, with up to 50% lower torque – **without pre-drilling.**

### Full Thread

Choose Fully Threaded screws to attach hardware securely.

### Partial Thread

Partially Threaded screws will guarantee no gaps whilst jointing. The ribbed countersunk head ensures a flush finish.

### Choice of Recess

Deep Pozi or StarDrive™ recesses reduce the risk of failure when using power tools.

### Superior Plating

Unique plating process ensures long life, with a dry lubricant to make insertion easier and improve productivity. Zinc or Yellow finishes available.
